THE CREATURE 8.00 24.00 45.00

Texas Poteen: Irish style Moonshine distilled from Potatoes. Póitín (Poteen) traditionally distilled in a small pot still and the term is a diminutive of the Irish word pota, meaning "pot". The Irish word for a hangover is póit.

TEXAS AMERICAN GOTHIC 10.00 29.00 53.00

Aged Potato Spirit: The Creature becomes tamed and softened by the rich smoky caramel flavors from a charred oak barrel. Spicy elements marry spun sugar notes.

THE PATRIOT 11.00 31.00 55.00

Texas Sipping Whiskey: distilled from Corn then aged in American Oak Barrel. Not just your average corn whiskey. This has been crafted to bring forward the subtle corn flavors yet polished with a smooth finish.

~~TEXAS GRAPPA 10.00 29.00~~

**** Currently Out of Stock ****

Flanigan's is reinventing Grappa. Grape pomace from the remains of our wine production is distilled and aged in American Oak Barrel. We take a "waste not, want not" attitude and continue on after wine production to create this wonderfully smooth liquid gold.
